A Treasure from the High Sierra
www.featherock.com

featherrock® *Over 75 years of history...*

From a modest beginning in 1941, Featherrock has become a nationwide supplier of lightweight pumice landscaping and gardening stone. We are proud to be a family-owned company for three generations.

Featherrock lightweight pumice products are quarried in the Sierra Nevada Mountains of California, where our mine and mill site are located. The versatile pumice stone came from the volcanic eruptions of the Mono Craters about 40,000 years ago. Our pumice is truly the Treasure of the High Sierra.

Featherrock offers many products from the same stone. Boulders, planters, veneer, gravel, and fire feature rock are all products we are proud to offer the landscaping, garden, building and construction industries.

Featherrock Veneer

Landscaping Boulders **COLOR GUIDE**

SILVER-GREY

*A great all-around landscape rock.
Unique light and dark banding.
The lightest color and weight option.*

BRINDLE

A Featherrock for a rustic, earthy design. Varied shades of brown with grey.

CHARCOAL

A natural compliment to a tropical, island, or Asian inspired landscape. Medium to dark grey or black.

BUCKSKIN

A denser Featherrock with tan throughout. Works well in desert landscapes.

***Harness the beauty of the Sierra Nevadas...**
Available in bulk or pallets. (Average bulk load 22-24 tons)*

Landscaping Boulders **INSTALLATION**

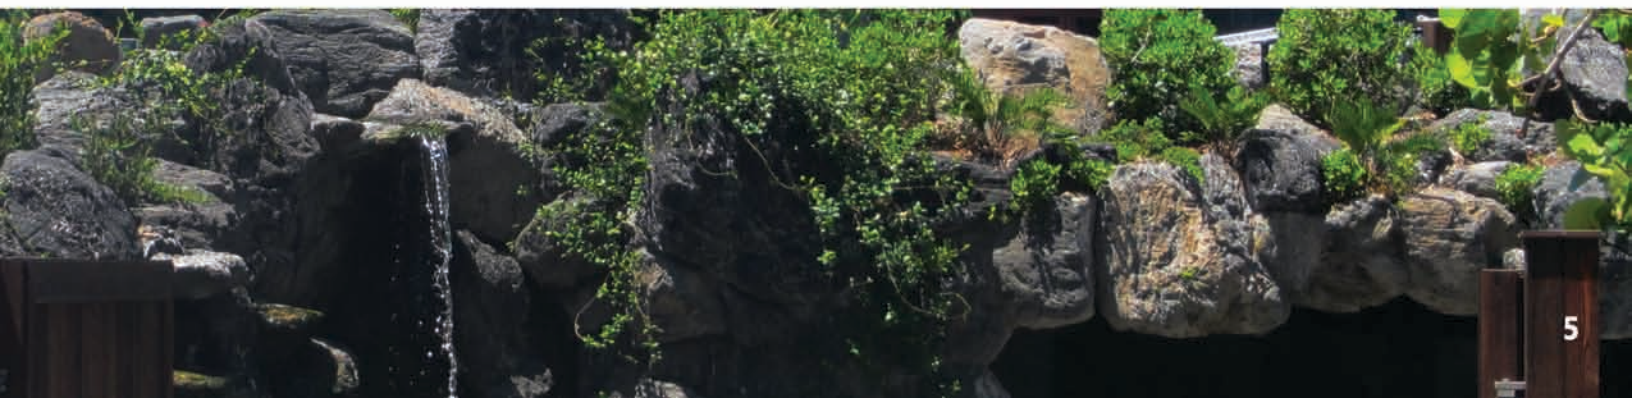

The Do-It-Yourself Stone...

Waterfalls Fountains & Gardens Inc. envisioned a lush, Asian-inspired grotto for this Florida home. By using charcoal Featherrock boulders, the crew was able to mimic a natural cave by mounting large boulders to the sides of the garage .

Featherrock's lightweight, natural stone is perfect for innovative hardscaping. The stone is easy to carve, saw, and drill into, making custom residential or commercial projects possible when other natural stone options are too heavy, too expensive, and too complicated.

PROJECT by MATTHEW GIAMPIETRO of WATERFALLS FOUNTAINS & GARDENS INC.

Sierra Artisan® Planters

FRP-32 or 64 - Small Single Hole Planter

PLANTER SIZE: 8-12", 5-15 lbs. (Approx.)

PLANTER COUNT: 32/crate or 64/crate

CAVITY: 4" diameter hole w/ drain hole

FRP-24 - Large Single Hole Planter

PLANTER SIZE: 12-18", 15-35 lbs. (Approx.)

PLANTER COUNT: 24/crate

CAVITY: 6" diameter hole w/ drain hole

FRP-2HOLE- Two Hole Planter

PLANTER SIZE: 18-24", 30-40 lbs. (Approx.)

PLANTER COUNT: 15/crate

CAVITY: 4" & 6" diameter holes w/ drain holes

FRP-3HOLE - Three Hole Planter

PLANTER SIZE: 24-36", 40-60 lbs. (Approx.)

PLANTER COUNT: 10/crate

CAVITY: (2) 4" & (1) 6" diameter holes w/ drain holes

Lightweight

Portable

One-of-a-kind

Use indoors or outdoors

Will not deteriorate over time

Will not fade or crack

The beauty of natural stone...

FRP-MINI

FRP-MINI - Single Hole Mini Planter

PLANTER SIZE: 4-6", 1-1.5 lbs. (Approx.)

PLANTER COUNT: 30 (minimum order)

CAVITY: 1.5" diameter hole

FRP-MINI2H - Double Hole Mini Planter

PLANTER SIZE: 6-8", 1.5-2 lbs. (Approx.)

PLANTER COUNT: 30 (minimum order)

CAVITY: 1.5" diameter hole

Available by the box. (30 pcs)

Lightweight Gravel

1.5 - 2" GRAVEL

Gravel Color: Mixed Grey

Gravel Size: 1.5 - 2"

Cubic Foot Weight: 30 lbs (Approx.)

Cubic Yard Weight: 810 lbs (Approx.)

Square Footage: 1 cu yd ~ 325 sq ft

3/4" GRAVEL

Gravel Color: Mixed Grey

Gravel Size: 3/4"

Cubic Foot Weight: 27 lbs (Approx.)

Cubic Yard Weight: 729 lbs (Approx.)

Square Footage: 1 cu yd ~ 325 sq ft

1/2" GRAVEL

Gravel Color: Mixed Grey

Gravel Size: 1/2"

Cubic Foot Weight: 31 lbs (Approx.)

Cubic Yard Weight: 837 lbs (Approx.)

Square Footage: 1 cu yd ~ 325 sq ft

1/4" GRAVEL

Gravel Color: Mixed Grey

Gravel Size: 1/4"

Cubic Foot Weight: 40 lbs (Approx.)

Cubic Yard Weight: 1080 lbs (Approx.)

Square Footage: 1 cu yd ~ 325 sq ft

Fire Feature Rock

Rustic, Natural Fire Rock...

Born from the fiery eruption of the Mono Craters thousands of years ago, Featherrock pumice makes choosing a fire feature media easy. Heat safe up to 2390° F, the rock will not pop or crack which helps your firepit last longer and keeps you and your family safe.

Featherrock's gravel can also be used as a filler for fire features!

FIRE FEATURE ROCK

Fire safe pumice stones.

Mixed charcoal to gray colors.

Size 2-6" cobbles.

Available in minisack, supersack, or bulk.

FIST ROCK

Fire safe pumice stones.

Mixed charcoal to gray colors.

Consistent 4" cobbles

Available in minisack, supersack, or bulk

*Minisack 120 lbs, Supersack 800 lbs, Bulk 22-24 tons per truckload.
12 Minisacks per pallet, 2 Supersacks per pallet, 22 pallets per truckload.*

Cut on 5 sides in a brick-shape. Natural front.
12 sq ft coverage per box.

SIERRA SUNSET

A dense Featherrock with
tones of grey, brown, and pink.
Perfect for stone pathways.
Packed 1800-2000 lbs per
48" x 40" pallet.

Artisan Carvings by **ENRIQUE PEREZ, JR.**

Each Featherrock carving is handmade by local artisan, Enrique Perez, Jr. He hand picks each rock from Featherrock's selection of unique pumice boulders and creates a one-of-a-kind work of art from the stone.

From 7 foot tall Moais to small garden sculptures such as bunnies, mushrooms, and bears, you are sure to find the perfect sculpture for your home. Featherrock carvings also make wonderful gifts, as each piece is different from the next.

Several carvings are available for immediate purchase, but special requests are also welcomed! Please contact Featherrock for details.
